Background/Supporting Information

The City uses the open appointment process to select advisory board members for Boards and Commissions. The purpose of this advisory board is to advise the Council on construction, maintenance, and operation of improvements and the furnishing of special services to 48th and Chicago Special Service District. The advisory board makes recommendations on requests and complaints of owners, occupants, and users of property within the district and members of the public.

There are 5 individuals or companies who are willing to serve on this board. They all meet the requirements for board membership, which includes being a resident or property owner within the district. The 48th and Chicago Special Service District is located in Wards 8 and 11. Council Members Elizabeth Glidden and John Quincy have approved the recommendations submitted by Public Works. Staff will work with the City Council and current SSD board members to identify qualifying candidates for any remaining vacancies by the fall of 2012.
