**Background/Supporting Information**

The City uses the open appointment process to select advisory board members for Boards and Commissions. The purpose of this advisory board is to advise the Council on construction, maintenance, and operation of improvements and the furnishing of special services to East Lake Street Special Service District. The advisory board makes recommendations on requests and complaints of owners, occupants, and users of property within the district and members of the public.

There are 4 individuals or companies who are willing to serve on this board. They all meet the requirements for board membership, which includes being a resident or property owner within the district. The East Lake Street Special Service District is located in Wards 2, 9 & 12. Council Members Cam Gordon, Gary Schiff, and Sandy Colvin Roy have approved the recommendations submitted by Public Works. Staff will work with the City Council and current SSD board members to identify qualifying candidates for any remaining vacancies by the fall of 2012.
