DATE: November 10, 2009
SUBJECT: O.P. 7123, Bids for Fiberglass Reinforced Plastic Pressure Pipe

A single responsive bid was submitted in response to O.P. 7123. Fluid Technology Corporation submitted a bid price of \$74,122 with noted exceptions.

The prefabricated Fiberglass Reinforced Plastic Pressure pipe bid price of \$74,122.00 is 6% lower than our design engineer's detailed estimate. We find Fluid Technology Corporation's bid price to be competitive and reasonable. MWW recommends award of the bid to Fluid Technology Corp as their bid price is cost effective and facilitates timely installation of the four units in the context of the overall project schedule.

Rob Verke, Principal Professional Engineer, will be the presenter for the council actions from the Public Works Department, Division of Water Treatment & Distribution Services.
