This matter came before a License Settlement Conference on Thursday, December 27, 2007. Appearing for the licensee were Lisa Anderson, Therese Van Burlson, Directors and Kim Nelson, General Manager. Appearing for the Department were Grant Wilson, Manager and Phil Schliesman, Inspector from Licenses and Consumer Services, and Sergeant John Billington, MPD. Based on the evidence presented at the hearing, the department makes the following findings of fact:

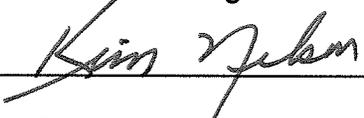

**FINDINGS OF FACT**

1. The Minneapolis Police Department License Investigation Division conducts youth alcohol compliance checks in an effort to assure retail-alcohol license holders are not serving alcohol to persons under the age of 21.
2. On March 31, 2006, the Minneapolis Police License Investigation Division conducted a youth alcohol compliance check. Two underage shoppers were able to purchase beer. The establishment was fined \$500.00 through an administrative citation.
3. On November 9, 2007, another youth alcohol compliance check was done at the Convention Center. In this instance, one, (1) underage shoppers was sold alcohol. This was the second violation for Kelber Catering in two, (2), years. As a result of the compliance failure, an administrative citation was issued in the amount of \$1000, as detailed in a City Council resolution.
4. Kelber Catering employees undergo extensive training from both internal and External trainers. Employees of Kelber Catering are required to sign an acknowledgement form which states the employee understands the policies and agrees to conform to the rules and regulations for serving of intoxicating beverages as set forth by Kelber Catering.

Licenses and Consumer Services office by 1:00 pm on the first Friday after the adoption and publication of this action by the full City Council.

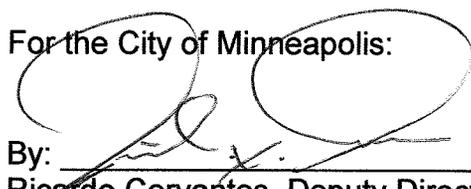

2. Beverage alcohol sales are being completely removed from all general concession stands at the Minneapolis Convention Center and moved to separate point of sales areas serviced only by trained bar tenders. This will allow servers in these areas to concentrate on beverage alcohol services only. If so approved through the corporate budgeting process, incorporate a cashier point of sales identification card reading system so that all identifications presented can be scanned to verify the age of the patron and help identify fake forms of identification.
3. The licensee shall be aware that it will be subject to additional compliance checks during the term of this action. As is the policy of the City of Minneapolis, the underage compliance checkers will at all times respond truthfully to any questions asked of them by employees or sales clerks of the licensee, and if asked, will present their State issued identification.
4. A properly trained manager must be on-site during business hours at all times.
5. Kelber Catering pay a sanction of \$2,000.00 to the City of Minneapolis, with \$1,500.00 stayed as long as there are no same or similar violations within 1 year of the signing of this agreement. This payment must be received by 1:00 pm on the first Friday after the adoption and publication of this action by the full City Council.
6. This action shall not preclude any other adverse license action, including but not limited to suspension or revocation, for subsequent violations of this action, or for subsequent violations or subsequently discovered violations of any federal, state, or local laws, ordinances, or regulations.
