Dear Jon:

On behalf of the Downtown Minneapolis Transportation Management Organization (TMO), we would like to update the Transportation and Public Works Committee on our 2007 activities.

It has been some time since we have made a report on our activities to this Committee. Just recently the TPW Committee renewed three year memberships for the Executive Committee members. In addition, we are working with Councilmember Betsy Hodges to recognize 2007 Minneapolis Commuter Choice winners before an upcoming City Council meeting.

Thank you for your assistance.

Sincerely,

Dick Allendorf

Chair

The Downtown Minneapolis Transportation Management Organization (TMO) exists to promote congestion mitigation strategies and advocate environmentally sound transportation policies to assure the continuous and orderly growth of Downtown Minneapolis and the region. Commuter Connection is a project of the Downtown Minneapolis TMO.
