Dear Mr. Alexander;

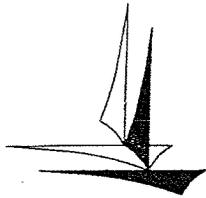

This correspondence serves as the confirmation letter requested by your attorney Tom Kelly of the agreement to bring the Division of Licenses and Consumer Services' recommendation of revocation of your On Sale Liquor Class E. liquor license before the Public Safety and Regulatory Services Committee on Wednesday, February 20, 2008. The committee will be able to hear testimony from you or your representative contesting the sanction; however you will not have an opportunity to contest the evidence presented at this hearing.

At the license settlement conference held on Monday, November 26, 2007 the Division of Licenses and Consumer Services discussed the evidence that the City of Minneapolis presented regarding the violations at your establishment and our recommendation for revocation. Although you did not contest the evidence presented, at this meeting there was a request by you and your council to consider other adverse license action.

Please contact Linda Roberts, 673-3908, by February 13, 2007 if this date is not convenient for you or your attorney.

Sincerely,

Dear Mr. Alexander;

At the license settlement conference held on Monday, November 26, 2007 the Division of Licenses and Consumer Services discussed the evidence that the City of Minneapolis presented regarding the violations at your establishment and our recommendation for revocation. Although you did not contest the evidence presented, at this meeting there was a request by you and your council to consider other adverse license action.

Much evidence was presented that showed the severity, frequency, and recent nature of the violations at this establishment. The Division of Licenses and Consumer Services will not consider any other adverse license action at this time. We will pursue revocation of your liquor license.

The Division of Licenses and Consumer Services will schedule this matter for revocation during the month of January at the Public Safety and Regulatory Services Committee of the Minneapolis City Council. You may contest the sanction before the Committee; however you will not have an opportunity to contest the evidence. If you wish to contest the evidence presented to you on November 26, 2007, we will schedule a hearing before an administrative law judge. Please contact Linda Roberts, 673-3908, by December 28th of your intention.

Sincerely,

FUNHOUSE Inc. DBA: Johnny A's
Attn: John Alexander
200 West Broadway
Minneapolis, MN 5540

Dear Mr. Alexander;

This letter is to give notice of a license settlement conference to be held on Friday, November 16, 2007 at 2:30 p.m. in Room 1C City Hall 350 South 5th Street regarding the revocation of the On-Sale Liquor, Class E, with Sunday Sales license held by FUNHOUSE Inc, dba Johnny A's.

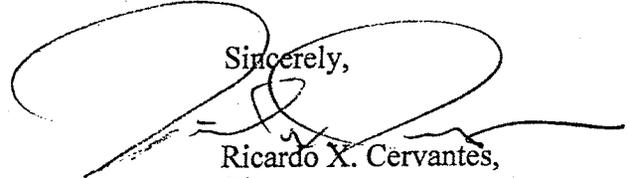

The recommendation for revocation is based on the following:

1. That on January 18, 2007 the Office of the Hennepin County Attorney notified the licensee and owner of the property at 200 West Broadway that this property and establishment were considered a Public Nuisance. This is a violation of Minnesota Statute 617.80.
2. That on April 25, 2007 during a search warrant of the premises and parking lot conducted by the MN Gang Strike Force that resulted in 14 persons arrested for narcotics case #07-131145. This is a violation of Minneapolis Ordinance 259.250 (1) I.
3. That on May 17, 2007 the licensee was on the no ship list for nonpayment of Minnesota State Sales Tax. An inspection by Minneapolis Licensing and the State AGE found evidence of alcohol that was purchased illegally. At this inspection the licensee admitted to obtaining the alcohol illegally with the intent to resell the alcohol to the public. This is a violation of Minnesota Statute 340A.415 and 7515.0520 and Minneapolis Ordinance 362.500.
4. That on May 22, 2007 the licensee could not produce documentation that he had legally obtained the alcohol that was on the premises for resale and the alcohol had been removed and property inventoried. The licensee stated that the value of the alcohol removed was approximately \$30,000.00. This is a violation of Minnesota Statute 340.415 and 7515.0520 and Minneapolis Ordinance 362.500.
5. That on October 1, 2007 the licensee failed to remit the second-half payment for the annual license fee. This is a violation of Minneapolis Ordinance 362.90.
6. That on October 28, 2007 the licensee failed to maintain liquor liability insurance and was cancelled by the licensee's insurance company for nonpayment of premium. This is a violation of Minnesota Statute 340A.409 and Minneapolis Ordinance 362.150.

7. That as of October 30, 2007 the licensee has failed to make payment of the citation 07-0564932 issued for violating MN Statue 340A.415 and 7515.0520 that was due June 7, 2007. This is a violation of Minneapolis Ordinance 259.15.

If you desire, legal counsel may represent you at the hearing. Failure to appear may jeopardize your license. If you have any questions, please contact District Supervisor Linda Roberts, 612-673-3908.

Sincerely,

NARRATIVE

The narrative/synopsis can be used in place of a report whenever a regular report would not be necessary, such as:

1. A miscellaneous assist and advise situation.
 2. Something that may not require any further action.
- (The narrative can be as lengthy as necessary to include all information)

Funhouse Incorporated doing business as Johnny A's 200 Sports Bar & Grill in Minneapolis MN has been posted on the MN Department of Revenue Liquor Posting since November 15, 2006. Once posted a retailer is prohibited from receiving alcohol product from wholesale distributors.

S/I Mueller was contacted by the Minneapolis Licensing Division and his assistance was requested in a check of the licensee's alcohol product in an effort to determine if the product was delivered to or brought into the licensed premises in violation of MN Liquor Chapter 340A.

Mueller met with Minneapolis Licensing officials Linda Roberts and Phil Schliesman at Minneapolis City Hall at 13:00 hours on May 17, 2007. Accompanied by a Minneapolis Police Officer, the representatives of Minneapolis Licensing and Mueller entered Johnny A's 200 Sports Bar & Grill at approximately 13:30 hours through a public entrance accessed from the parking lot of the business. Roberts and Mueller approached the bar and an unidentified female employee was asked if owner, Johnny Alexander was present, she stated he was not. Both Roberts and Mueller presented their business cards and verbally identified themselves and the government entities they represent. Mueller requested the bartender contact Mr. Alexander and ask him to come to the bar, which the female did.

While waiting for Alexander to arrive, Mueller requested and was granted permission, from the female employee, to check the malt beverage and liquor inventories located at the bar. During the check Mueller and Schliesman located a large quantity of malt beverage product with production/fill dates well after the November 20, 2006 date of last legal delivery. A single bottle of Budweiser, Michelob Golden Light, Miller Genuine Draft and Corona were removed from the coolers and inventoried by Schliesman. Mueller also conducted a quick check of the distilled spirits product located on the bar's speed rail and located a 750 ml bottle of Jose Cuervo Tequila also with a production date after the November 20, 2006. The single bottle of tequila was inventoried by Schliesman.

Bar owner, John Alexander arrived at the bar at approximately 13:45 hours and questioned the reason for the inspection. Roberts and Mueller explained to him that the business has been posted by the MN Department of Revenue for failure to pay taxes since November 15, 2006. Mueller asked Alexander if any distilled spirits, wine or malt beverage wholesalers have delivered to the business since November 20th, 2006, Alexander said none had. Mueller then asked where the beer and liquor had come from and Alexander stated, "I've been going to a lot of liquor stores." When asked which liquor stores Alexander replied, "A lot of them." Asked if the liquor stores knew that the product was going to be resold in a bar Alexander said, "No, they don't know." Mueller requested he be shown where the kegs of beer were located and Mr. Alexander led Mueller, Roberts and Schliesman to a cooler located in the basement. Mueller checked the kegs and found them all to have production/fill dates well after the November no ship date. It was noted that none of the kegs had keg registration tags attached, as required when selling a keg at retail. Mueller asked Alexander where the kegs had come from and was told that the empty kegs would be brought to various bars in Minneapolis and switched with a full keg. Alexander stated that he had a lot of friends in the business and they were helping him out by getting the kegs for him. Mueller questioned why Alexander didn't go to liquor stores and was told that he didn't want any "tagged" kegs in his cooler. Mueller advised that Alexander's friends were jeopardizing their liquor

licenses by acting as a wholesaler of liquor without a license, as well as selling alcohol at off-sale without a license. Mueller asked Alexander if he was working with the Department of Revenue in paying the owed taxes and he stated he was and that he hoped to pay the owed amount by June 1, 2007. Mr. Alexander showed Mueller a letter from the Department of Revenue regarding the matter. Ms. Roberts asked if she could see the letter and Alexander informed her that he would work with the state, but not the city. He went on to say the city of Minneapolis is trying to ruin the bar business and he, along with other bar owners were going to fight such an effort. He apologized to Roberts and Schliesman, stating that he knew they were doing their job and they work hard, but he isn't going to provide any information to the city because of the politics involved.

Upon returning to the main floor of the bar Mr. Schliesman asked Alexander where the bottles of beer and tequila had come from and was told they were purchased at a liquor store. Mueller advised Alexander to discontinue the practice of buying at retail with the intent of reselling the alcohol. Mueller further advised that Alexander needed to immediately discontinue getting his kegged beer from other bars as well. Schliesman then presented the city of Minneapolis inventory sheet to Alexander and requested a signature indicating the 4 bottles of beer and tequila were being removed as evidence of a liquor violation.

The city licensing officials, the Minneapolis Police Officer and Mueller cleared the bar at approximately 14:15 hours.

Mueller's involvement was only to assist in the deciphering of production dates and codes on the various liquor products. The entire matter is being handled by the Minneapolis Licensing Division, with no further action necessary by the Alcohol and Gambling Enforcement Division.

This agent would recommend the case be closed as an Assist and Advise.

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

Sgt, Jeff Jindra, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

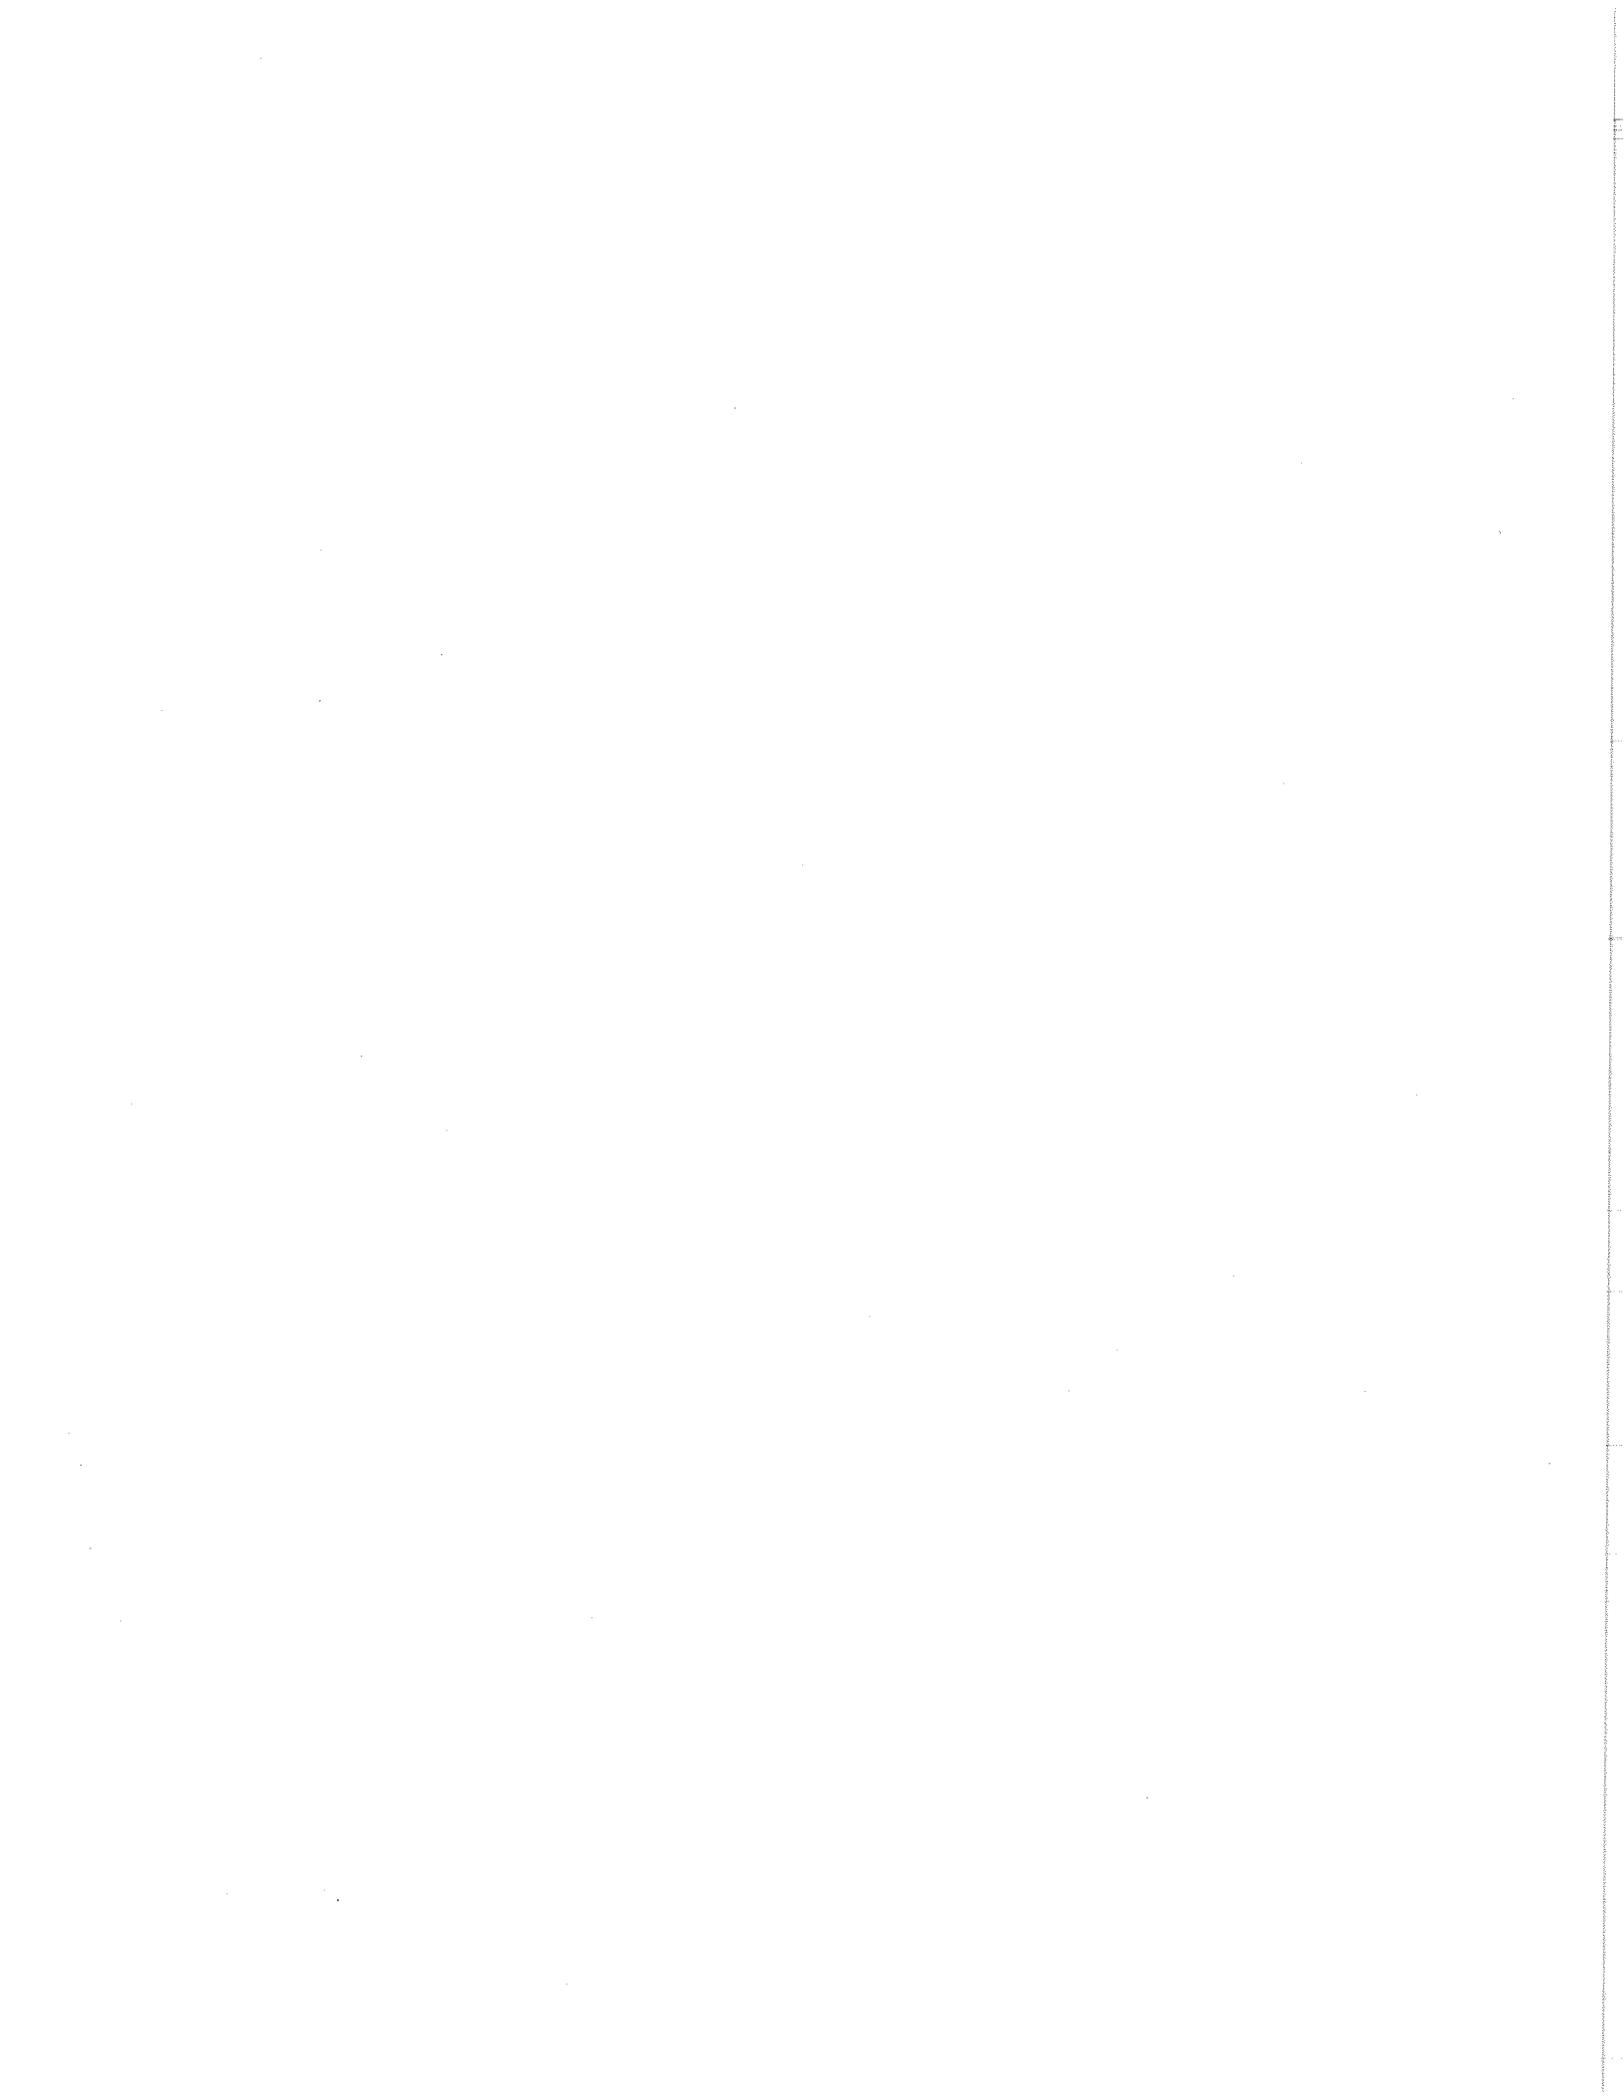

Narcotic drugs and controlled substances, including but not limited to cocaine, also drug paraphernalia, monies and properties obtained from the illegal sales of these controlled substances, weighing and packaging materials property bartered and traded for these controlled substances, drug notes, writings and mailings to show constructive possession of these controlled substances, firearms, ammunition, and other weapons to protect the narcotic sales operation, radio and telecommunication devices, to facilitate narcotic sales, and photographic and video tape recordings of drug sales and or use.

Described as: 200 W. Broadway and a black male 600 250lb 35 years of age, located in the City of Minneapolis, County of Hennepin, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

1. The property above-described was used as means of committing a crime.
2. The possession of the property above-described constitutes a crime.
3. The property above-described is in the possession of a person with intent to use such property as means of committing a crime.
4. The property above described constitutes evidence, which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

30

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Sgt, Jeff Jindra, is a Minneapolis Officer currently assigned to the Minnesota Gang Strike Force. Your Affiant has twenty-four year's experience as a Police Officer and has been involved in numerous narcotic related investigations resulting in the recovery of quantities of controlled substances, monies, weapons, and related contraband. Acting in this capacity, I give the following information.

During the past months your affiant has become aware of increasingly heavy drug trafficking involving Johnny A's bar 200 W. Broadway, Approximately 5 months ago your affiant did surveillance from a storage building that overlooks the rear lot and main door and Officers saw 4 drug transactions and called in marked squads, which placed the persons under arrest and recovered marijuana and crack cocaine. The doorman observed officers in the windows and alerted the customers and pointed Officers out to other drug sellers,

Officers returned the next night and found that someone had shot paintballs all over the windows they were using for an observation post,

Several months ago Gang Officers arrested Tryrebi Leak in possession 12 grams of crack cocaine while he was sitting at Johnny As. The CRI who provided information leading to his arrest stated that it is common knowledge that anyone can buy marijuana or crack at Johnny's As and that they employees are involved in the drug trafficking.

Recently, 04/15/2007 your affiant and Officer Schany in plainclothes drove into the lot at Johnny as and observed a male talking to the bouncer. This male then turned towards officers and approached us and asked if we needed something and asked "Are you Straight" which means are you not the Police and do want drugs.

On 04/17/2007 Gang Officers Nimlos and Schany observed a male run into the bar and carrying a laptop and leaving empty-handed. The officers followed and observed them pull over and start to smoke crack. The officers arrested them and they stated that Johnny' As is a known supply location and that the bouncer sells crack and crack and marijuana are hidden in areas throughout the bar. The arrestee also stated that several drug suppliers are armed and have lookouts posted nearby.

Your affiant also sent a CRI into the bar, within the last seventy-two hours, who stated that the employees are actively involved in the drug sales and that the bouncer sits on a wooden post and has drugs hidden inside the leaning post. This CRI has provided information for 15 years and his information has led to convictions in both State and Federal.

Your affiant also spoke with Sgt. Snyder who also stated that he also he had received information from two reliable informants that the security staff at Johnny's As involved in drug trafficking and they are frequently armed. Several CRI's mentioned the rear door bouncer who is a black male 600-250 lbs and about 35 years old as the coordinator of the drug trafficking.

The area around the bar has been the site of several recent murders and shootings and numerous fights and stabbings in the past year.

From surveillance, Officers have observed that the drug trafficking appears increase after nightfall in the darkness.

Therefore based on the above information your affiant requests a search warrant be granted for: 200 W. Broadway and a black male 600 250lb 35 years of age

A nighttime is necessary to prevent the loss, destruction or removal of the objects of the search because: During surveillance your affiant observed lookouts around the bar and the traffic appears to greatly increase after dark. Your affiant feels it would be safer if the drug sellers was not forewarned of Police presence and Officers approached under the cover of darkness. The Bar has been the site of several murders and shootings and weapons arrests and threats and assaults against Police Officers by Bar patrons and staff who have tried to deny uniform Officers entrance into the bar.

An unannounced entry is necessary to prevent the loss, destruction or removal of the objects of the search and to protect the safety of the Peace Officers because: During surveillance your affiant observed lookouts around the bar and the traffic appears to greatly increase after dark. Your affiant feels it would be safer if the drug sellers was not forewarned of Police presence and Officers approached under the cover of darkness. The Bar has been the site of several murders and shootings and weapons arrests and threats and assaults against Police Officers by Bar patrons and staff who have tried to deny uniform Officers entrance into the bar. Your affiant also feels it would be safer if Officers did not announce themselves and forewarned

WHEREFORE, Affiant requests a search warrant be issued, commanding Sgt. Jeff Jindra and Officers under his control, (a) peace officer(s), of the State of Minnesota, to search the hereinbefore described for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

It is also unlawful for a retailer to purchase alcohol from retail and resale it, Ms Roberts found that there were both and beer and hard liquor sales taking place and in speaking with John Alexander he admitted purchasing the alcohol from liquor stores which is a violation of State statue.

Dear Mr. Alexander;

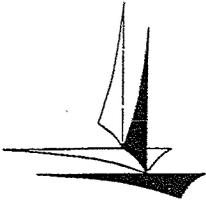

This letter is to inform you of the investigation our department has been conducting on your business. There is significant and convincing evidence that this establishment does not meet the minimum standards to operate as an off sale liquor establishment. We are preparing to schedule a revocation action before Council for which formal notice will be mailed to you within 10 days of the action.

Revocation action is being initiated based on repeated instances of criminal nuisance and narcotics activity at the premises as well as admitted and documented license violations dealing with illegal no-ship alcohol purchases and sales. The division is additionally prepared to simultaneously refer to the city attorney for criminal prosecution evidence of multiple violations of state law governing no-ship alcohol purchases and sales.

You have made requests through your attorney for the contraband seized during the search warrant of May 22, 2007; our division will not release this evidence as long as there are criminal and civil charges pending. If the licensee withdraws the on sale liquor license, consideration of release of this evidence may be considered.

Sincerely,

Bean Scene
2220 West Broadway
Minneapolis, MN 55411

January 7, 2008

Ms. Diane Hofstede
Minneapolis City Council-3rd Ward
350 S. 5th St. Room 307
Minneapolis, MN 55415

Dear Ms. Hofstede,

I am writing to offer my support for John Alexander, owner and operator of Johnny A's 200 Club. As a fellow North Minneapolis business owner, I can attest to the struggles of owning and operating a business along the West Broadway commercial corridor. Since purchasing The 200 Club in September 2000, Mr. Alexander has invested substantial resources into his establishment, remodeling a once shabby, run-down business into a clean, refreshing establishment with a comfortable atmosphere to drink and dine on the north side. His hands-on approach to managing his business is a welcome relief to the absentee-owned operations that plague parts of our community. He continues to show his commitment to combating criminal activity on and around his property by working with the Minneapolis Police Department, Hawthorne Area Community Council, and local businesses to deter illegal behavior. While the battle is sometimes quite difficult, he continues to push forward and stand up for both his business and our community. This type of dedication is necessary and needed in our community if West Broadway is to revitalize its commercial corridor.

In addition to his personal and financial commitment to the north side, Mr. Alexander has reached out to help build strong ties within our community through his annual participation in the Peace Foundation's Peace Ball fundraiser. He has partnered with the Bean Scene over the past three years to provide food and beverage catering for this important North Minneapolis fundraiser. His continued support has helped make this annual event a smashing success!

I encourage you and the City of Minneapolis to continue to work with Mr. Alexander to strengthen our collaborative efforts to transition West Broadway Avenue into a thriving commercial corridor. Thank you for your time and consideration in this matter.

Sincerely,

Dean Rose
