Notes:

1- Map reports foreclosure sales reported by the Hennepin County Sheriff to Taxpayer Services Department and later sent to City of Minneapolis CPED Research Division. Hennepin County's methodology is to count all foreclosure sheriff's sales categories (mortgage, assessments, associations, executions, and judgments).

2- The map displays foreclosures at the Sheriff's sale as of the most recent reporting period and does not take into account foreclosures recorded after the data was compiled, nor any properties later redeemed by the owner in the 6 month redemption period.
