Notes:

- 1-Map reports mortgage foreclosures only; other foreclosure categories (assessments, associations, executions, judgments) not included.
- 2-Map reports the number of properties foreclosed rather than foreclosure sales.
- 3-The map displays foreclosures reported as of January 10, 2009, and does not take into account back-dated foreclosures recorded after the data was retrieved, nor any properties later redeemed by the owner within the 6 month redemption period.
