

## Status of the 2012-13 Community Participation Program July 15, 2013

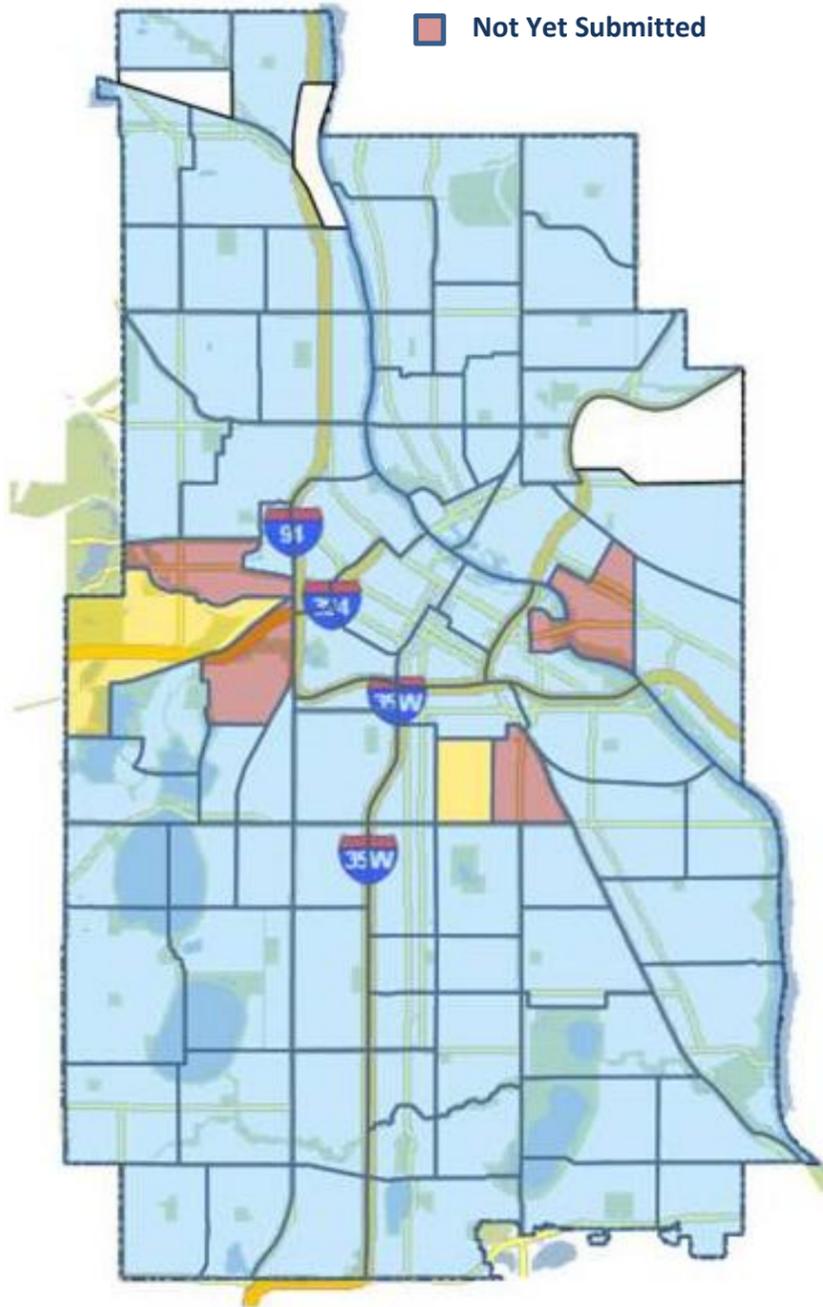

The current cycle of the Community Participation Program (CPP) began in July 2012. Since that time, many neighborhood organizations across the city have been reaching out to residents from diverse backgrounds to engage as broad a spectrum of Minneapolis citizens as possible in the development of neighborhood priority plans. The charts below, and the spreadsheets on the following pages, provide a snapshot of the efforts underway to-date.
