Dear Neighborhood Leader,

For many neighborhood organizations, community festivals and events are a core element of their neighborhood outreach and community building activities. But, as many of you know, there are significant restrictions on the use of NRP and CPP funds for this purpose. In response to the many questions we have had about these restrictions, we have created a resource guide to provide some answers on the use of NRP and CPP funds to support neighborhood events. A copy of this guide is attached. We also have created a page on our website dedicated to this issue. You can find this guide on the Training and Resources page of the NCR website (www.minneapolismn.gov/ncr), or at the following link:

To help answer additional questions, NCR staff will host an informational meeting on Thursday, January 29, from 6:00 to 7:30 p.m. at the Crown Roller Mill Building:

Meeting on Festivals and Events
Thursday, January 29, 2015
6:00 to 7:30 pm
Crown Roller Mill Building, Conference Room 3 (2nd floor)
105 Fifth Ave S, Minneapolis, MN, 55401

In the meantime, please contact your Neighborhood Support Specialist at NCR if you have any questions about the use of NRP or CPP funds for festivals or events.

Thank you, and we look forward to meeting with you on January 29!

Sincerely,

Robert Thompson
