Dear Mr. Rubedor,

At our annual meeting on April 16th 2014, the Lowry Hill East Neighborhood Association conducted a survey with the membership to determine what we should be focusing on for neighborhood priorities. As a result of that survey, the following items came to the forefront:

1. Development and Rezoning
2. Infrastructure: Bikes, Pedestrians, Traffic and Streets
3. Environmental
4. Improve Housing Stock

After the initial survey, the board realized that the neighborhood needed to get an even more detailed survey to the residents to narrow down various priorities and projects under the aforementioned topics. LHENA created a survey-monkey survey and it was open from June 30 to August 18. As a result of that survey the following items were chosen as priorities:

1. Development- Create a work group to focus on development guidelines and best practices.
2. Infrastructure: Conduct a traffic study and recommend best practices for traffic calming
3. Infrastructure: Improve safety, quality, heating and route information at bus stops
4. Environment: Increase access to composting

The board is requesting to allocate \$30,596.00 of our Neighborhood Priority Plan (NPP) reserve dollars to these strategies. On October 15, 2014, our community and the LHENA board voted to support these priorities. The required 21 day notice was given to the community.

Attached is a summary of our on-line survey.

Thank you in advance for your review and approval of this neighborhood priority plan.

Sincerely,

Leslie Foreman, President
