

Community Garden Compost

Fall Compost Details

Thank you for your interest in the City of Minneapolis' Community Garden Compost Program, managed by the Division of Solid Waste and Recycling.

Availability

Fall compost is available October 1, 2015 through November 1, 2015.

*Requests for Fall compost must be received **by September 23, 2015.***

Community Garden Requirements for Participation

- Community Garden must be registered with Gardening Matters
- Community Garden must be located within the City of Minneapolis

Community Garden Requirements for Delivery

- All low-cost compost and/or low-cost compost delivery fees must be paid before the delivery.
- A community garden representative must be there to accept delivery.
- The delivery area must be clearly marked with stakes, flags, and/or other type of marker.
- The delivery area must be accessible by a large truck, and be free of low-hanging wires or other obstructions.

Cost

No-Cost Option

- Amount: 200 cubic yards of no-cost compost is available for Fall delivery.
- Delivery: 15 no-cost deliveries are available for Fall compost.

Once no-cost compost and deliveries run out, community gardens will be moved to the low-cost option, or referred to local retailers for their compost needs.

Low-cost Option

- Amount: 1,000 cubic yards of low-cost compost is available for Fall delivery.
- Delivery: Unlimited low-cost deliveries are available. All deliveries will be \$125.

Once low-cost compost runs out, community gardens will be referred to local retailers for their compost needs.

Delivery Schedule

- Deliveries are available Monday through Friday from 8 a.m. to 3 p.m., and Saturday from 8 a.m. to 1 p.m.
