## Illegal Dumping

### Property owners are responsible for cleaning up their property

To support our customers who are cleaning or improving their property, Solid Waste & Recycling offers vouchers for disposal of household debris at our South Transfer Station. This service includes:

- Six clean-up vouchers per year for disposal of excess garbage, appliances, or construction and demolition debris.
- Two tire vouchers per year for tire disposal (8 tires per voucher).
- Please do NOT place household Hazardous Waste in your garbage cart or recycling bin. Minneapolis Solid Waste & Recycling works with Hennepin County Environmental Services to provide mobile drop-off sites for residents to bring in unwanted household hazardous waste/materials.
- For an appointment call (612) 673-2917 or visit <http://www.ci.minneapolis.mn.us/solid-waste/>

### What can you do to help prevent illegal dumping?

- Keep your property clean; people are not as likely to litter an area that is clean.
- Lock dumpsters and post "No Dumping" signs.
- Install lights and use vehicle barriers to restrict access to your property.

### Report Illegal Dumping or Garbage Abuse - Dial 311

Taking or using another resident's collection point is illegal. City Ordinance 225.10 states in part: "No person shall leave, throw, or deposit, or use or permit any other person to leave, place, throw, or deposit, any substances or materials of any kind at a city solid waste collection point...for city disposal when the substances or materials were generated *at a location other than the residence.*"

If you see any illegal dumping, anywhere in the City of Minneapolis, please write down the license plate number, a description of the vehicle and person, and the item that was dumped and report it by dialing 311. If you request it, your call will remain anonymous.

**Thank you for helping keep Minneapolis clean and beautiful.**
