

Unlicensed Taxicabs - Information for Drivers

All taxicabs picking up fares in Minneapolis are required to display a City of Minneapolis Taxicab Vehicle License sticker on the left side of the rear window. If you are identified as operating without this taxicab vehicle license in violation of the Minneapolis Code of Ordinances, you may expect the following to occur:

1. Your vehicle will be impounded immediately. It is considered evidence that you were operating without the correct city license.

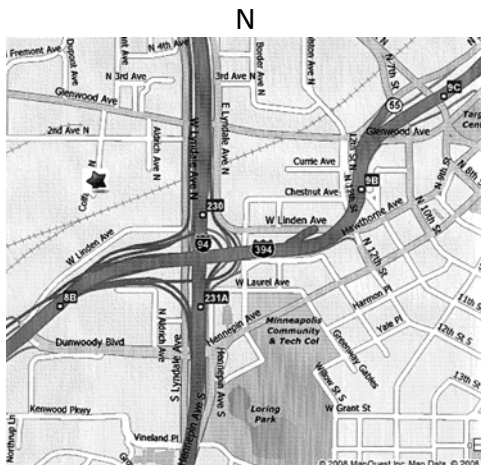

2. You will be issued an Administrative Citation for a minimum \$250. If you have previous citations, this amount will be between \$500 and \$2,000.

3. You may pay this citation. If you choose to pay this citation, you must wait an entire business day to allow us time to process your paperwork. You may pay the citation at Minneapolis City Hall, Licenses and Consumer Services, 350 South 5th Street – Room 1C. We accept cash, cashier checks, money orders and credit cards. We will not accept a personal check for payment of an administrative fine. A cashier's check should be payable to the Minneapolis Finance Department. You may reclaim your vehicle after payment of the all citations. Impounded vehicle is located at Minneapolis Impound Lot. Directions below.

4. You may appeal this citation. You have 20 days to appeal this citation. If you choose to appeal, a hearing will be scheduled.
