

# Why license your pet?

- **It's a free ride home.** If your licensed pet is found in Minneapolis, it will get a ride home instead of to the animal shelter
- **Your pet is more likely to get back home.** Licensed pets are three times more likely than unlicensed pets to go home again
- **Prompt medical attention.** If your pet is found injured, it will get medical care right away
- **It's the law** for dogs, cats and ferrets
- **It helps other pets.** Your pet's license helps Minneapolis Animal Care & Control
  - Shelter and feed lost dogs and cats and find them new homes
  - Educate the public about responsible pet ownership
  - Reunite lost cats and dogs with their owners
