Abrasive Blasting Application

Minneapolis City Ordinance 59.50. Abrasive Blasting Permit Required

- No person shall abrasively blast the interior or exterior of any building, structure, or other architectural surface except under specific permit from the assistant city coordinator for regulatory services or their designee.
- All painted surfaces to be abrasively blasted must be tested for lead content following EPA, HUD or ASTM protocols.
- In the event the applicant cannot perform the abrasive blasting on the scheduled date(s) in the application; the applicant shall provide notification to the City, the property owner, tenants, and others as required in 59.50(c) twenty-four (24) hours prior to the commencement of the rescheduled abrasive blasting operation.

A copy of the general notice of activity must be submitted with permit application.

Analysis report as required in 59.50(D) must be submitted with the application.

Parties applying for an abrasive blasting permit must provide a general notice of forty-eight (48) hours in advance their construction activity to all occupants of the building, structure or architectural surface where the construction activity will occur and to all building owners and their tenants within a 75 foot radius of the building, structure or architectural surface to be abrasively blasted. The notice must include contact information for the party performing the construction activity, brief description of the proposed work, intended dates and times and identify that complaints regarding the construction activity will be received by Minneapolis Information and Services by dialing 311 in Minneapolis or 612-673-3000 from cell phones and outside Minneapolis.

Data Privacy Advisory

As part of the application process, you may provide payment information to pay the appropriate fee for your Application or Notification. Some payment information (e.g., credit card and bank account data) is protected under the Minnesota Government Data Practices Act. You are not required to provide this payment information. If you do provide your credit card data or bank account data, after your Application or Notification is processed and approved, your credit card will be charged the appropriate amount or your bank account data (e.g., check) will be used for payment. If you refuse to provide either of these forms of payment, you would have to use another means of payment. This application, the City’s website, or staff will provide information on the other means of payment. If you submit your credit card data or bank account data at any point in the payment process, individuals who may access the data include individuals in the City who reasonably require access to process your Application or Notification and your payment and to perform related duties; attorneys representing those individuals; auditors; and others who are legally authorized to access the data.

I have read and understand the above data practices advisory.
