

Workshop Discussion Broader Issues:

Racial Healing:

- How can we repair the harm that racism causes?

Community Safety and Health:

Community members have raised these priorities through community engagement. Do you agree that these are important priorities that should be included in the George Floyd Square Vision? Are any missing?

- Police reform/accountability
- Mental health & wellness services
- Support for the un-housed

Economic Vitality:

Community members have raised these priorities through community engagement. Do you agree that these are important priorities that should be included in the George Floyd Square Vision? Are any missing?

- Anti-displacement
- Affordable housing (rental & ownership)
- Workforce development
- Business support and development
