# License Application Guidelines and Checklist

### **Application Type: Off Sale Malt Liquor (Growler)**

**DEFINITION:** The sale of malt liquor in 64-ounce containers (commonly known as growlers) by a brewery licensed under Minnesota state statue 340A.301, for consumption off of the premises. A State of Minnesota Wholesaler's/Manufacturer's Intoxicating Liquor License is required. Brewers are limited to producing less than 20,000 barrels of malt liquor per year.

This application is divided into two parts. **PART ONE**: Complete the items below and submit to the <u>Minneapolis Development</u> <u>Review</u> office. You will have an opportunity to discuss your application with Zoning and Environmental Health Inspectors. **PART TWO**: After staff review, your application will be sent to a License Inspector who will then contact you. At that time you may submit the remainder of your application (**PART TWO**) to the License Inspector. Incomplete applications will be returned. More information about applying for a license is available on our website at www.minneapolismn.gov/business-licensing.

### **Floor Plan Standards**

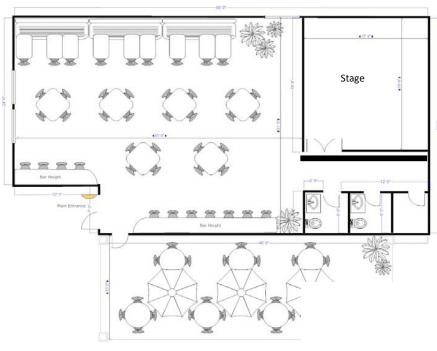

Every application for a restaurant or beverage alcohol license must include a floor plan. A sample is provided below. Attach an 8 ½" x 11" diagram of both your **INTERIOR** and **EXTERIOR** premises. Include dimensions. Hand drawn floor plans will be accepted if they are legible. Drawings for outdoor areas may be on a separate sheet. If the outdoor area is located on the public sidewalk, drawings must include additional features and a <u>Sidewalk Café License</u> is required. Include the following on your plan:

- 1. Business name (DBA), building name, address, contact person and telephone number
- 2. The function of the space including the dimensions and square footage of the area in which food will be served. Label mezzanine levels, fixed seating and egress convergence.
- 3. All doors, windows and other openings as well as any building feature requiring emergency access
- 4. The occupant load calculated by the designer
- 5. The number and size of tables
- 6. The number of chairs and their location to the tables. Seating capacity needs to consistent with the number of patrons stated in your license application.
- 7. Ensure that your total bar area does not exceed the area that is allowed for your type of license. Include square footage (no more than 30% or 20%). Bar Area: One or more spaces in an establishment designed and utilized primarily for the consumption of alcohol or providing entertainment. This space would include a dance floor area, stage, game room or any space that is undefined or does not provide for seated food service. Outdoor bar areas may be calculated separately from indoor bar areas and considerations may be made for outdoor sporting courts such as bocce ball, volleyball or similar features.

Outdoor Area Diagrams shall also include the following, in addition to the information above:

- 1. All outdoor areas accessible to and usable by building and non-building occupants including yards, patios, cafes, courts, dog areas, rooftops and other similar outdoor areas
- 2. Umbrellas, planters, stanchions, fences, lights, signs, etc.
- 3. Planted, groomed or landscaped areas adjacent to the outdoor area
- 4. Heating elements and location of storage area for gas cylinders
- 5. There must be 5% or a minimum of one table which is ADA accessible.
- 6. Access and Egress: Your business plan should describe how this will be controlled.
