

**Minneapolis City Ordinance Chapter 59.40. Temporary Crushing Permit Requirements:**

- Temporary crushing activities include the crushing, grinding, pulverizing or milling of razed or demolished buildings, structural materials, roadway or other similar materials when performed in an open area by use of portable crushing machinery.
- Materials crushed, ground, pulverized or milled must originate on the site where the temporary crushing activity is occurring unless the Minneapolis Commissioner of Health or their designee determines that it is to the public benefit to transport to a location off site.
- Permit issuance does not grant land use approval for storage of material.
- A temporary sign, three (3) feet by four (4) feet, indicating the name, address and telephone number(s) of the person(s) or agent(s) of the company conducting the temporary crushing activities shall be placed within ten (10) feet of all public rights-of-way adjacent to the project site.
- The company conducting the temporary crushing activities shall ensure that an agent responsible for the activities being conducted is available on site or by phone on a twenty-four (24) hour basis.
- Permit is valid for only 120 consecutive calendar days from start of activity.

<input type="checkbox"/> <b>A copy of the general notice of activity must be submitted with permit application.</b> Parties applying for a temporary crushing permit must provide a general notice of their activity to all occupants where the construction activity will occur and to the building owner and their tenants of all adjacent properties. The notice must include contact information for the party performing the construction activity, a brief description of the proposed work, the intended dates and times and must identify that complaints regarding the construction activity will be received by Minneapolis Information and Services by dialing 311 in Minneapolis or 612-673-3000 from cell phones and phones outside of Minneapolis.
