

Use Enterprise to rent cars when traveling for work

When traveling on City business you should use public transportation whenever possible. However, if renting a car is the most economical option you may do so with a supervisor’s pre-approval.

All car rentals must be booked with Enterprise Rent-A-Car directly through [the company’s website](#) using the City’s corporate account number: 19B1122. You can also call the City’s local Enterprise representative Brian Theisen at 651-905-5022 to make a reservation.
